

STUDENT USE OF TECHNOLOGY

The Governing Board intends that technological resources provided by the district be used in a safe, responsible, and proper manner in support of the instructional program and for the advancement of student learning.

(cf. 0440 - District Technology Plan)
(cf. 1113 - District and School Web Sites)
(cf. 4040 - Employee Use of Technology)
(cf. 5131 - Conduct)
(cf. 6163.1 - Library Media Centers)

The Superintendent or designee shall notify students and parents/guardians about authorized uses of district computers, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities in accordance with district regulations and the district's Acceptable Use Agreement.

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)
(cf. 5144 - Discipline)
(cf. 5144.1 - Suspension and Expulsion/Due Process)
(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))
(cf. 5145.12 - Search and Seizure)

Before a student is authorized to use the district's technological resources, the student and his/her parent/guardian shall sign and return the Acceptable Use Agreement specifying user obligations and responsibilities. In that agreement, the student and his/her parent/guardian shall agree not to hold the district or any district staff responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes or negligence. They shall also agree to indemnify and hold harmless the district and district personnel for any damages or costs incurred.

(cf. 6162.6 - Use of Copyrighted Materials)

The Superintendent or designee, with input from appropriate staff, shall regularly review and update this policy, the accompanying administrative regulation, and other relevant procedures to enhance the safety and security of students using the district's technological resources and to help ensure that the district adapts to changing technologies and circumstances. He/She shall also monitor the district's filtering system to help ensure its effectiveness.

Use of District Computers for Online Services/Internet Access

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that blocks or filters Internet access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced. (20 USC 6777, 47 USC 254)

STUDENT USE OF TECHNOLOGY (continued)

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities. Staff shall supervise students while they are using online services and may have teacher aides, student aides, and volunteers assist in this supervision.

The Superintendent or designee also shall establish regulations to address the safety and security of students and student information when using email, chat rooms, and other forms of direct electronic communication.

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting personal information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying.

Student use of district computers to access social networking sites is prohibited. To the extent possible, the Superintendent or designee shall block access to such sites on district computers with Internet access.

VISALIA UNIFIED SCHOOL DISTRICT

Visalia, California

STUDENT USE OF TECHNOLOGY

The principal or designee shall oversee the maintenance of each school's technological resources and may establish guidelines and limits on their use. All instructional staff shall receive a copy of this administrative regulation, the accompanying Board policy, and the district's Acceptable Use Agreement describing expectations for appropriate use of the system and shall also be provided with information about the role of staff in supervising student use of technological resources. All students using these resources shall receive instruction in their proper and appropriate use.

(cf. 0440 - District Technology Plan)
(cf. 4040 - Employee Use of Technology)
(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Teachers, administrators, and/or library media specialists shall prescreen technological resources and online sites that will be used for instructional purposes to ensure that they are appropriate for the intended purpose and the age of the students.

(cf. 6163.1 - Library Media Centers)

Online/Internet Services: User Obligations and Responsibilities

Students are authorized to use district equipment to access the Internet or other online services in accordance with Board policy, the user obligations and responsibilities specified below, and the district's Acceptable Use Agreement.

1. The student in whose name an online services account is issued is responsible for its proper use at all times. Students shall keep personal account numbers and passwords private and shall only use the account to which they have been assigned.
2. Students shall use the district's system safely, responsibly, and primarily for educational purposes.
3. Students shall not access, post, submit, publish, or display harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs.

(cf. 5131 - Conduct)
(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 5145.7 - Sexual Harassment)
(cf. 5145.9 - Hate-Motivated Behavior)

STUDENT USE OF TECHNOLOGY (continued)

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors. (Penal Code 313)

4. Unless otherwise instructed by school personnel, students shall not disclose, use, or disseminate personal identification information about themselves or others when using email, chat rooms, or other forms of direct electronic communication. Students also shall be cautioned not to disclose such information by other means to individuals contacted through the Internet without the permission of their parents/guardians.

Personal information includes the student's name, address, telephone number, Social Security number, or other personally identifiable information.

5. Students shall not use the system to encourage the use of drugs, alcohol, or tobacco, nor shall they promote unethical practices or any activity prohibited by law, Board policy, or administrative regulations.

(cf. 3513.3 - Tobacco-Free Schools)

(cf. 5131.6 - Alcohol and Other Drugs)

6. Students shall not use the system to engage in commercial or other for-profit activities.
7. Students shall not use the system to threaten, intimidate, harass, or ridicule other students or staff.
8. Copyrighted material shall be posted online only in accordance with applicable copyright laws. Any materials utilized for research projects should be given proper credit as with any other printed source of information.

(cf. 5131.9 - Academic Honesty)

(cf. 6162.6 - Use of Copyrighted Materials)

9. Students shall not intentionally upload, download, or create computer viruses and/or maliciously attempt to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking."

(cf. 5131.5 - Vandalism and Graffiti)

10. Students shall not attempt to interfere with other users' ability to send or receive email, nor shall they attempt to read, delete, copy, modify, or use another individual's identity.

STUDENT USE OF TECHNOLOGY (continued)

11. Students shall report any security problem or misuse of the services to the teacher or principal.

The district reserves the right to monitor use of the district's systems for improper use without advance notice or consent. Students shall be informed that computer files and electronic communications, including email, are not private and may be accessed by the district for the purpose of ensuring proper use.

(cf. 5145.12 - Search and Seizure)

The principal or designee shall make all decisions regarding whether or not a student has violated Board policy or the district's Acceptable Use Agreement. The decision of the principal or designee shall be final. Inappropriate use may result in cancellation of the student's user privileges, disciplinary action, and/or legal action in accordance with law and Board policy.

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))
